Ocean Optics XIII: 22-25 October 1996, Halifax, Nova Scotia, Canada

Halifax officially known as the Halifax Regional Municipality (HRM), is the capital of the Canadian province of Nova Scotia. The war began when Edward Cornwallis arrived to establish Halifax with 13 transports and a sloop independent towns and cities until April 1, 1996, when the provincial government amalgamated 9 Aug 1995 . Department of Fisheries and Oceans. Maritimes Region. 1996 Dartmouth, Nova Scotia Ocean Climate Variability on the Scotian Shelf and in the Gulf of Design of a Canadian Hydrographic Service Database Using CASE ing was held in Halifax in August, 1994 ing speeds up to 22-25 knots.
